

Session Program

16-18 Apr 2024

Workshop: Hydrogen Analysis by Atom Probe Tomography

Establishing best practices when measuring hydrogen in APT (a structured discussion)

Max-Planck-Institut für Eisenforschung GmbH, Room 203 (large seminar room)
Max-Planck-Str. 1 40237 Düsseldorf

Wednesday 17 April

15:55

16:55

Establishing best practices when measuring hydrogen in APT (a structured discussion)

Session |

Location: Max-Planck-Institut für Eisenforschung GmbH, Room 203 (large seminar room), Max-Planck-Str. 1 40237 Düsseldorf
